The 100 Best Hotels in the World...

The farther, the better is a common theme in this year's Travel + Leisure best hotels in the world. Among the top 20 are an industrial-chic expedition property near the southern tip of Chile, a fishing retreat in the middle of New Zealand's North Island, and a do-everything Colorado resort. There are still plenty of winners more conveniently located like the No. 2 property, the Spectator Hotel in Charleston and Farmhouse Inn in the California wine country.

CLIENT CORNER

ARTA Travel Client Letters

"I just wanted to write and let you know how grateful Diane and I were for all that you have done for us regarding the cruise booking.

You went well above and beyond anything we expected.

I know we didn't spend a bundle of money but you treated us like we did.

You are very professional at what you do.

Diane loved it so much she can't wait to go on another one.

We plan on visiting England next and I will contact you for assistance.

Please accept these gift cards as a token of our appreciation."

Thank you again,
Roy C.

The entertainment options will be available on existing in-flight entertainment systems installed on about 300 of American's planes.
