## 10 of the Most Beautiful Streets in the World...

From San Francisco to Buenos Aires, these spectacular roads are worth traveling to see, notes Architectural Digest. Not all streets are created equal. Take the colorful Caminito that anchors Buenos Aires's La Boca neighborhood-not only does it provide visitors with a vibrant photo op, but it also serves as a reminder of how the neighborhood was built in the 19th century. Some are notable for their stunning natural features, such as the cherry blossom tunnel in Bonn, Germany, which makes an appearance for a few short weeks every spring.

### Airfares from Dallas / Fort Worth International Airport

DFW to Chicago O'Hare, IL	\$153
DFW to Seattle, WA	\$269
DFW to Honolulu, Hawaii	\$909

small but great breakfast, good service and perfect location.

Our "apartment" was perfect for the 4 of us. The Landing Beaches tour was probably the highlight. Coach station was a block from the hotel, we left right on time, tour guide was excellent, and lunch was superb (included wine!). We had a double decker coach and we all got seats on top with magnificent views!

We also took the Oxford, Stratford and Warwick tour by the same company when we were in London and it was great too. I decided it was easier to do the package tour than me trying to do it myself with 2 kids, 2 seniors and my husband.

Thank you for all of your work putting this together!

We're planning on doing the Greece Cruise early June of next year so I'll be in touch.

Thanks again!"

Sincerely,

Tracy P.
